FOOTBALL MANAGER
World Cup Edition

In 1982 Kevin Toms wrote Football Manager, six years (and half a million copies sold) later, Kevin went one better and produced Football Manager 2. With the massive success of Football Manager 2, came suggestions for an even better game.

Kevin has responded with Football Manager World Cup Edition. This new game will give you more tactical management, more realism and more playability and takes football management into the international arena with all the thrills and excitement of the World Cup competition.

Play the game that takes the unique components of its two ancestors and radically improves them, **play the game** that sets new standards for the 1990's.

Hattrick!!!

"Ich habe professionelle Manager interviewt und Fußball-Taktiken studiert. Das sind die Ergebnisse: ● mehr Realitätsnähe ● mehr Spielbarkeit ● mehr taktisches Management. Ich habe mein Bestes getan, um das unterhaltsamste Spiel zur WM zu schaffen!"

Kevin Toms hat mit seinen beiden Fußball Manager Simulationen einen Standard geschaffen. Football Manager II war eines der erfolgreichsten Programme 1989. Jetzt kommt die World Cup Edition. Das Meisterstück!
